Members**

Included **FREE** every year to  
all members upon paid membership dues is:

**FREE** dinner at every general membership dinner meeting

**FREE** fellow member support and networking

**FREE** opportunity to address issues

All you have to do to receive these **FREE** advantages is maintain a paid to date membership and attend the general membership dinner meetings.

We are encouraging all members to attend the dinner meetings on a regular basis to help support fellow members and the associate supplier members. Each month a different associate supplier member will host the dinner meeting, presenting their products and/or services and pick up the tab for dinner. Let's thank these hard working folks and show support for them by attending the dinner meetings.

Come and mix and mingle with your fellow members and enjoy a great meal and the support of your association.

**SHOW & GLOW 2007**

Please join us on **FRIDAY, DECEMBER 7, 2007** at the **Bowen Road Co-Op Center** for the 2nd Annual **"SHOW & GLOW"**. This is your chance to compete against your fellow association members to win the best in class. Get your family involved, bring the kids and grandkids and help us help those who struggle with the challenges of the holidays. Light up your truck or simply join us for a refreshment and help vote for the winners.

Last year we were able to half fill an 18 foot cube van with food, toys and cash and donate it to the Haven Society for further redistribution to their clients. The event organizers are hoping to meet and exceed last year's donation.

This year the members are once again invited to join the local Nanaimo Lion's Club in their Nanaimo Christmas Parade 2007 downtown prior to the judging event at the Co-Op Center.

Please bring a food, toy or cash donation to the next general membership dinner meeting, drop the donations off at local supplier locations or bring them to the Show & Glow. Let's beat last year's donation and help ease the holiday stress for those in need!!!!
